Activ™ People, Skills & Community

Create, Connect, Learn, Belong
Your bright world of choice.

Activ™ People, Skills & Community

There's a whole world of choice for people with disability at any one of Activ's People, Skills & Community facilities throughout Western Australia.

Look at this exciting sample of programmes that can be modified to suit individual needs:

Cooking, music, singing groups, fitness programmes, walking groups, art, drama, dance, sensory therapy, computer training, fishing, horse riding and multisports.

As well there is the opportunity to learn skills that promote integration into the broader community. These include:

Volunteering, Meals on Wheels, newspaper delivery, learning to use local transports, independent living skills, literacy, numeracy, money skills . . . and more

Activ's People, Skills & Community promotes four key objectives:

- Social participation;
- Increased independence;
- Life long learning; and
- Enhanced informal support networks.

The service is offered to people with disability who are not able to maintain full time employment. The programmes encourage involvement in daily community while promoting skill development, enjoyment and satisfaction.

Funding Options

Eligibility criteria: People with disability who have Alternatives to Employment/ Post School Options funding from the Disability Services Commission.

Alternatively: A full "pay for service" option may be negotiated for people with disability who do not meet funding criteria.

Intensive Family Support funding can be used to purchase a "pay for service" option.

Costs

A daily service fee applies.

Service Hours

9.30am-2.30pm or as negotiated.
