## What is Behaviour Support?

Behaviour support is an evidence based approach to supporting people with disability who sometimes display challenging behaviour. It looks to improve the person's quality of life by understanding why they engage in the behaviour. This understanding helps address unmet needs and builds skills to reduce challenging behaviours.

## What We Offer?

- **Interim Behaviour Support/Safety Plan:** that includes protocol and procedures for any regulated restrictive practices (minimum 10 hours\*)
- **Behaviour Support Plan:** that includes consultation with stakeholders, data gathering and analysis, behavioural functional assessment, support interventions and protocol and procedures for any regulated restrictive practices (minimum 28 hours\*)
- **Review of Current Plan:** that includes full evaluation of previous plan, consultation with stakeholders, data gathering and analysis, behavioural functional assessment and protocol and procedures for any regulated restrictive practices (minimum 15 hours\*)

\*We require the following hours of support in your NDIS plan. If you do not have these hours funded in Capacity Building - Improved Relationships, please contact us to discuss how we can support your review to NDIA.

\*\*All time estimates do not include travel. Travel is charged as per the NDIS Price Guide. A list of current fees and charges for behaviour support services can be obtained from the NDIS website [www.ndis.gov.au](http://www.ndis.gov.au)

## How Can We Help?

Activ is an NDIS registered provider of Specialist Behavioural Intervention Support (intensive interventions to address significantly harmful or persistent behaviours) and Behaviour Management Plan (behaviour support plan and training in strategies). The Behaviour Support Team offers services to internal and external customers.
