This means our **home choices**.

When you see the word **we** and **us**
in this book

- it means Activ.

Easy English

November 2020.

We have home choices where you can

- live with other people

- be more **independent**.

Independent means you can do things for your self.

We help you find a home to suit your needs.

Like where you can

- feel comfortable
- get along with your **housemates**.

Housemates are people you share your house with.

We make sure you can

- get support from your family

- get to your community

- get to your employment services.

Employment services help you
with your job.

Our staff can help you at any time

- day

and

- night.

We make sure our staff can help you with

- first aid

- medicines

- social skills.

We make sure our staff have
a police clearance.

This means they have **not** been in trouble
with the police.

We think it is important that you are

- safe
- and**
- happy.
