Why Activ

We imagine a future where people with disability have the same opportunities as everyone else. To live a life of their choice, in their community.

The funds received from fundraising events go towards the development and growth of the Activ Academy, additional supported accommodation within regional locations and provision of clinical and support services beyond the limited provision of the NDIS, to ensure a more equitable and independent life for Western Australians living with disability.

Signing up to the Activ Charity Golf Day would not only help us to generate greater opportunities for our 1,400 strong customer base, but could further position you and/or your company as a leader in inclusion and help increase acceptance for people with disability in our community.
