

Employment

When you see the word **we**

- it means Activ

We want everyone who lives
with disability to:

- do what they want
- get the job they want

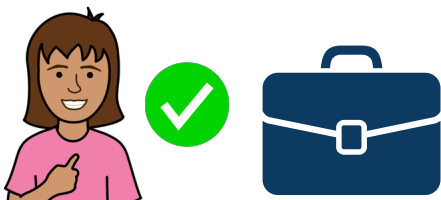

We have jobs that can help you:

- learn
- grow
- be more independent

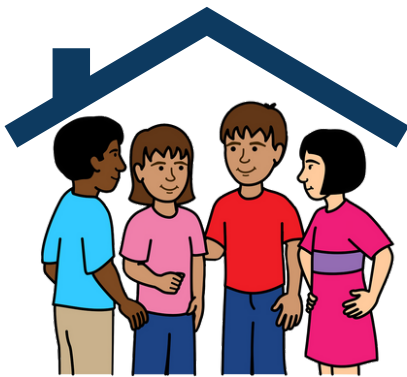

Independent means:

- you can do things for yourself

We want you to learn skills

so you can get **open employment**

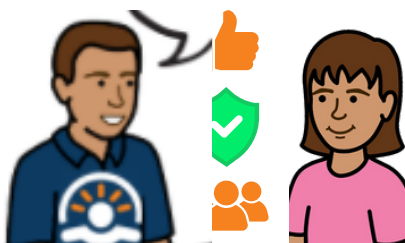

Open employment means:

- people with and without disability
- work together
- in the same work place

We will help you find a job that is good for:

- what you can do
- what you are good at
- your goals

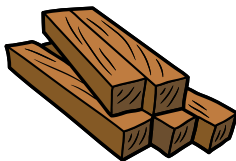

We help you learn while at your job to:

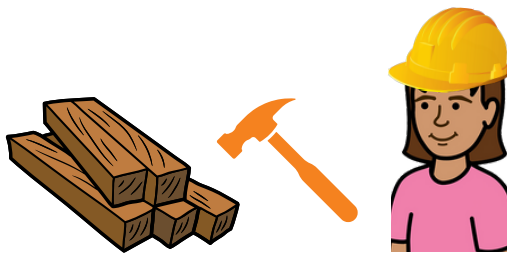

- work well
- work safely
- work with other people

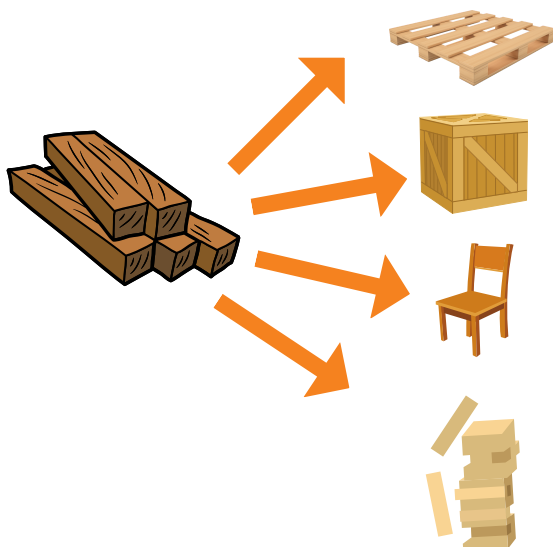

We have different type of jobs

Timber

Working in **timber** means you
help to build things
from wood

You help to build things like:

- pallets
- crates
- furniture
- games

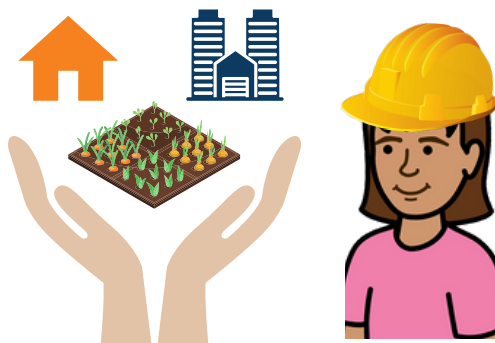

Timber is just in the South West

Property care

Working for **property care** means you

help to look after:

- buildings
- houses
- offices
- gardens

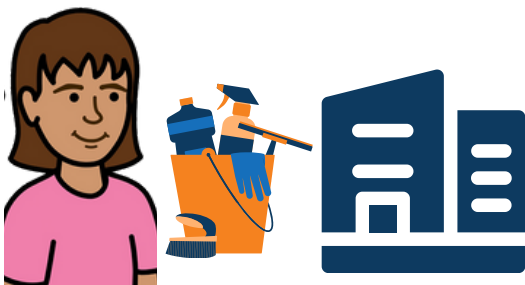

Looking after these places means you:

- garden
- paint
- fix broken things

Cleaning

Working in **cleaning** means you
help clean places

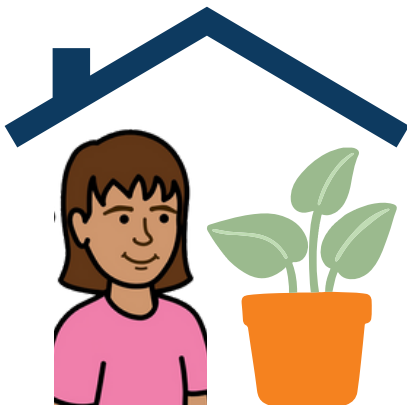

Some cleaning jobs you do:

- sweeping
- vacuuming
- mopping
- wiping things down

Indoor plant rental

Working for **indoor plant rental** means
you help put plants inside buildings

- like offices

You also help to keep the plants alive
by visiting
and giving them water

Administration

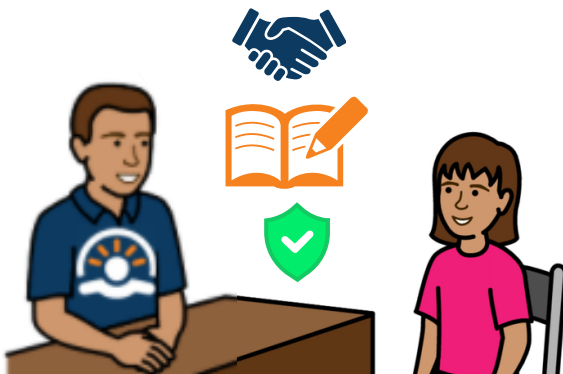

Working in **administration** means you
help with office tasks

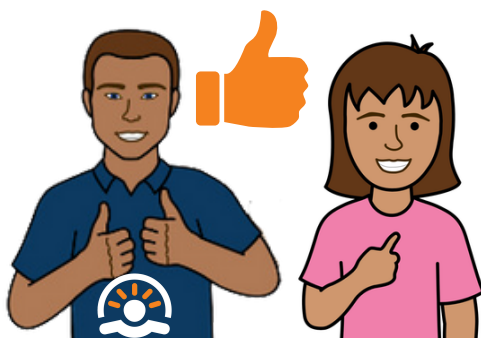

This means you do things like:

- organise paper
- make phonecalls
- write emails

If you work with us we will:

- help you
- give you training
- give you a safe place to learn

We want you to reach your goals

About this book
