

## NDIS Planning

When you see the word **we**

- it means Activ

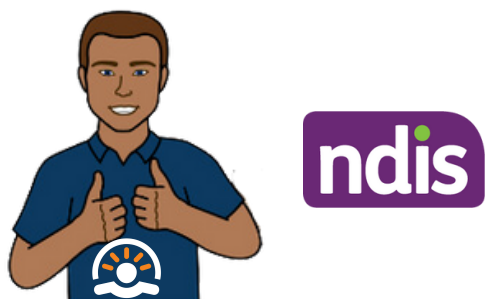

When you see the word **NDIS**

- it means National Disability Insurance Scheme

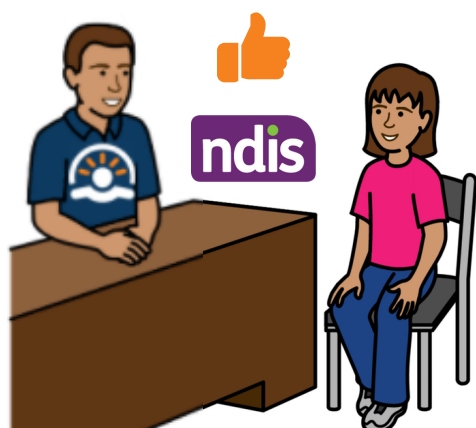

There is lots to know about the NDIS

- it can feel scary
- or you might feel lost

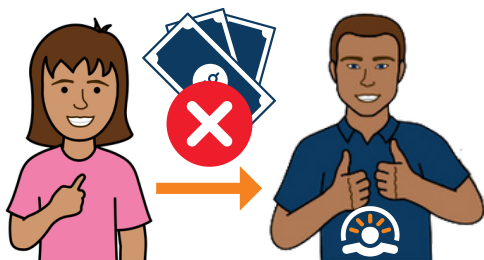

We know lots about the NDIS

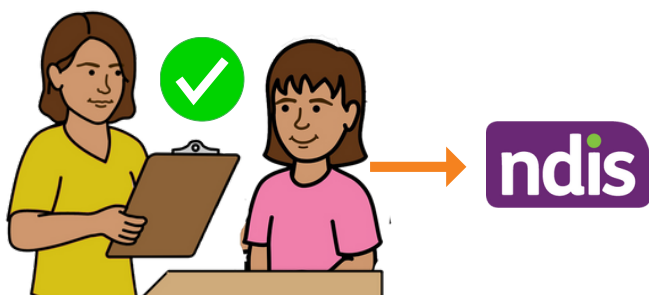

We can help you:

- understand
- get the most from your plan

We will help you for **free**

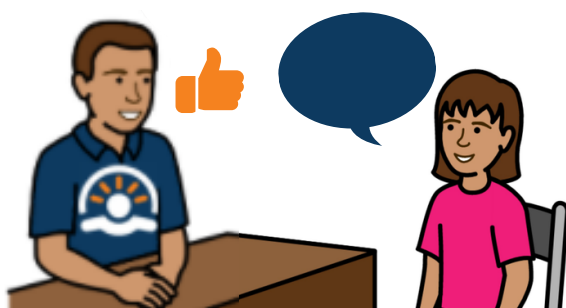

- **free** means you don't pay us

You need to have a meeting with

- an NDIA Planner
- or Local Area Coordinator

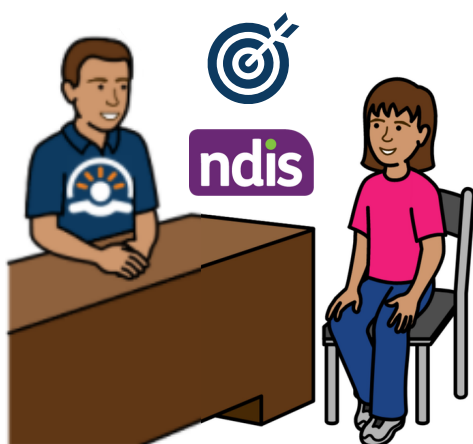

to get help from the NDIS

We can help you get ready

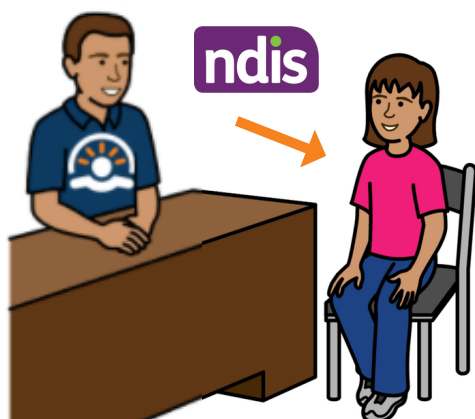

- so you know what to do
- and what to say

for the meeting

We can help you

- understand what the NDIS is
- find your goals
- find how the NDIS can make your goals happen

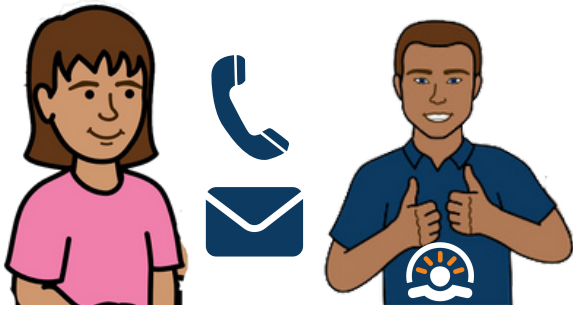

We can help you

- to get NDIS help
- understand what you need to do to get that help
- make sure you get the right kind of help

We can help you make sure you get the right kind of help

- for now
- and for the future
