

Specialist Disability Accommodation with Activ

When you see the word **we**

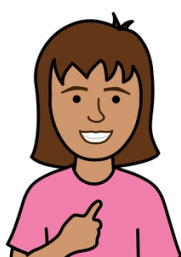

- it means Activ

We can help you to become more

independent in:

- how you live
- where you live

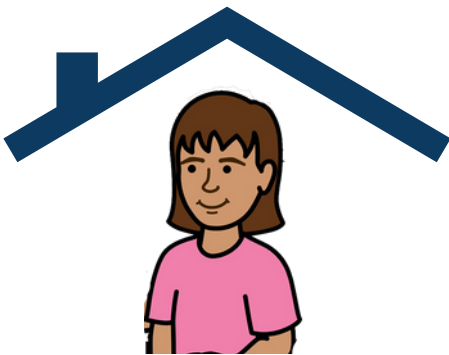

Independent means you can do things
for yourself

We can help you with **Specialist Disability Accommodation**

- we call this **SDA**

SDA helps you to:

- be more independent at home

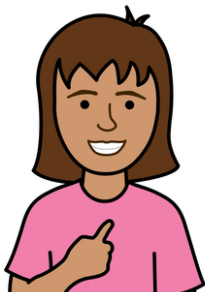

SDA houses are made for people
living with disability

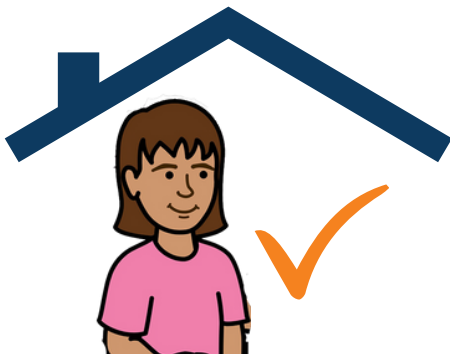

They have:

- wide hallways
- big rooms
- helpful technology

We know everybody is different

- so we will make sure a house is right for you

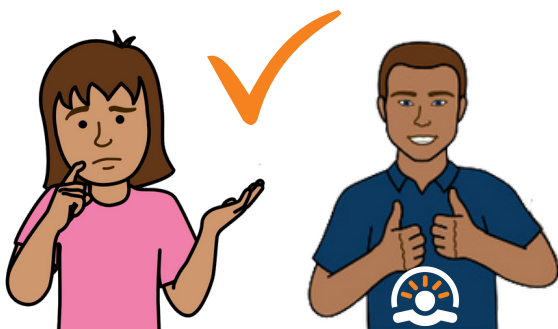

These homes make it easier to:

- do what you want to do
- and be independent

We put you first

- when planning your home

You can help make decisions

- about what you need
- and how it looks

waigroup

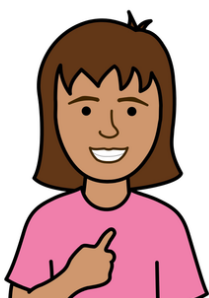

We work with other businesses like:

- WAI Group
- CHL
- Foundation Housing

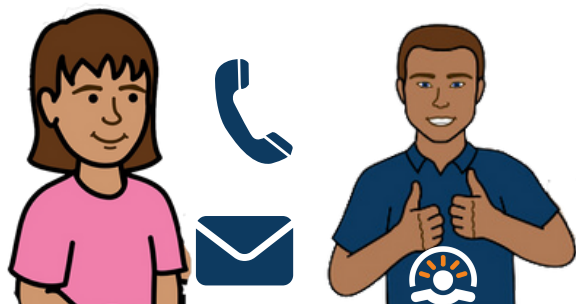

Working together means we can:

- build houses in the best places
- have the best designs
- have the best technology
